## HAIR PIE PIRATES

Ren and Stimpy are running down a dirt road. They're being chased by Farmer Liquor (George Liquor) who is shooting at them.

George gains into the scene.

George: "And keep your fairy pickin' hands offa my brussle sprouts!"

Ren and Stimpy keep running as a narrator is heard.

Narrator: "Once upon a time there lived a pussycat and an Athsma-hound Chijuaquia. Their quest for food knew no limits."

Husband carries his wife's pubic mound to the window sill to cool. "I'll just set this hair pie down too cool. Sooo hot, it burned my tongue!"

Ren and Stimpy smell the sweet nector of a hot Hair Pie wafting through the breeze as they run past the house. Stopping dead in their tracks, they return to the front gate.

A sign on the gate reads, "BEWARE OF BABOON."

Ren and Stimpy repeatedly try dodging the baboon to snatch the hair pie, but are always burned, beaten and chased out by the vicious primate.

They finally evade the baboon, but reach the hair pie too late. Husband has taken it off the window sill to eat ~~it~~ HIMSELF.
